5 The Success Path

Read Books

Purchase Products

Follow Models

every week someone releases
a new way to beat Google.
Last week, it was all about
doing Organic SEO and getting
links. Now why didn't I think
of that!

What is your niche really
buying: hint - it's not your
product.

What's stopping you from
dominating your field - it's
never money.

What are your own self
imposed limits?

I'll make a bet with you - sight
unseen - I'm betting you are
over paying for your clicks

What does it take to turn
Google into an automatic
money machine?

Envisioning the plan

Building correctly from the ground up

Are there really tricks to
writing great Adwords? - Yes

Wake up your inner salesman

Avoiding Setbacks

Everything you've heard about the
content network is true - and false. I'll
show you what to do.

A lot of Internet marketers
drive Porches - others drive
Masseratis. I don't. I'll tell you
what I drive and why it's
important to your business on
the next video.

What is the out of date
information costing you?

What do most marketers not
know that is costing them big
money?

Deciding to succeed

Building in a success system

To this day I still ask my friend
and teacher John Carlton to
look at my copy. Having one
of the top pros in the field can
only improve the response.

I've looked over the shoulder
of over xxx thousand Adwords
campaigns. Can you imagine
what happens when my team
and I zero in on yours?
